## ***Going the Distance***

Jack, 15,  
made the varsity football team because of his  
speed, despite being a little "underweight"

Devone, 17,  
is pumped to lead his team to a state title his  
senior year

*After Jack has a tough time in practice Devone  
tells him he should hit the weight room, then  
offers to introduce him to someone who can  
give him stuff to help him bulk up...*
